PANHELLENIC SCHOLARSHIP FOUNDATION

MEANINGFUL \$10,000 SCHOLARSHIPS

Each year, PanHellenic scholarship recipients with financial need are awarded **\$10,000** toward their college education, providing them with significant economic relief. This is accomplished through the generous support of many repeat donors, who provide a named **\$10,000 scholarship**. These scholarships provide a life-changing award for our scholars, as well as a meaningful personal connection for our donors.

CONNECTING DONORS & RECIPIENTS

With donors and scholars in mind, the Foundation has created the **Scholarship Society** a giving program comprised of three levels. Scholarship 50 is a \$10,000 commitment each year for 5 years, Scholarship 100 is a \$10,000 commitment each year for 10 years, and Scholarship 200 is a \$10,000 commitment for 20 years, a natural progression for many of our fulfilled “100” members.

JOIN THE SCHOLARSHIP SOCIETY

Securing a bright future is important for our mission as an organization, as well as the vision of our late Founder, **Chris P. Tomaras**. The **Scholarship Society** is an easy way to make an annual commitment of **\$10,000**—directly awarded to a scholar each year for the duration of your pledge.

Along with the many benefits that come with a **Scholarship Society** membership, your contribution directly impacts the lives of **5, 10** or **20** students. You also gain the ability to follow your exceptional scholars throughout their lives, building meaningful relationships and instilling in them the importance of giving back to the Greek American community.

Building a better America through Education & Hellenism

WHAT OUR RECIPIENTS HAVE TO SAY

“I want to thank you from the bottom of my heart. The PanHellenic Scholarship you granted me was truly a dream come true. I opened my award letter on my 18th birthday—it was the greatest gift I could have ever received. I had finally broken from my financial constraints and could freely move toward my dream once more. Your kindness and generosity enabled me to give back to the Greek American community in the future.”

—**Demitra Giannaras, '07 Recipient**
Northwestern University, MBA
Loyola University of Chicago, BA, BBA

“This scholarship has truly made a huge difference in my life. Words simply cannot express my sincere gratitude. You are a role model to all of society, and I hope to be a philanthropist just like you. I hope to one day make a difference in another scholar’s life, just like you have with made with mine.”

—**Demonsthenis Katsaros, '16 Recipient**
University of Rhode Island, PharmD

“It is with great seriousness that I undertake my studies, and this scholarship greatly decreased my financial worries. Higher education as described by the ancient Greek philosophers is the search for truth, the ultimate goal in life. The PanHellenic Scholarship Foundation has made this dream a recognizable goal for me and it is with great humility that I thank the Foundation for the grant I was awarded.”

—**Nikolia Rallis, '05 Recipient**
Northwestern University, BS

“As a result of the contributions made by the PanHellenic Scholarship Foundation, Greek American undergraduate students may continue the cycle of innovating and improving the world around them that is so crucial to the Greek identity. The aid provided by the Foundation has had a significant positive impact on me.”

—**Joseph George Ades, '16 Recipient**
Vanderbilt University, BA
