PANHELLENIC SCHOLARSHIP FOUNDATION PARADIGM AND HELLENISM AWARD HONOREES ARE SELECTED. ACCOMPLISHED SPORTSCASTER IS THE EMCEE.

As has been the practice during the past several years, a distinguished Hellene is selected and honored by the Foundation as an accomplished individual with special life achievements, seen as an example for our students to follow, and is the recipient of our Paradigm Award.

Also this year, we are introducing the Hellenism Award, which will be offered to an individual for his/her contribution to Hellenism and the preservation of its values. This Award was inspired by great Hellenes who have distinguished themselves by their commitment to promoting the concept and values of Hellenism and by their unparalleled dedication to offering support and assistance to fellow Hellenes and Hellenic communities around the world.

We are proud of our honorees this year who will receive their awards at the PanHellenic Scholarship Foundation Gala Event on Saturday, November 13, 2010.

Mr. Tomaras was guest speaker at the Greek Ethos Symposium in Columbus, Ohio on the occasion of the 10th issue of Greek Ethos magazine. An interesting dimension in this trip was Mr. Tomaras' visit to the Community's Greek school. He got everyone's undivided attention during his presentation together with his offer of \$100 to each of the 50 schoolchildren that would write out by hand five of the core values of Hellenism and their definition 25 times (Ethos, Filotimo, Integrity,

Philanthropia, Self-respect). In his address to the students Mr. Tomaras said *"this is just a first taste for you, as the PanHellenic Scholarship Foundation's future scholarship candidates. I look forward to the end result of this exercise, as these values become part of your nature, and deeply engraved in your hearts as you thoughtfully and repeatedly write out these few words that embody Hellenism."*

**THE HELLENIC COLLEGE—

Commencement Ceremony**

The 168th Commencement Ceremony of the Hellenic College / Holy Cross School of Theology took place on May 15th on school grounds. The College conferred an honorary Doctor of Humanities degree to our Chairman Chris Tomaras in recognition of

his contributions to Hellenism, and for his philanthropic work to promote education in America.

A Message from the Chairman

As we are preparing for this year's distribution of our scholarship awards, we again turn to the community to draw our best and brightest Greek American students to reward them with our grants. If you know of any students that are eligible for our Awards, please encourage them to apply.

Our program has been successful because of friends and supporters like you. To that end, I express my heartfelt thanks and gratitude to all our contributors and hope you will participate in offering \$250,000 to a new group of stars in 2010. Your help has been invaluable in making our effort a success. Enclosed you will find a list of donor opportunities.

Finally, I am pleased that the Foundation will honor Frances Fragos Townsend as the first female Paradigm Award recipient, and introduce and offer the Hellenism Award to my good friend Andrew Athens. I am also delighted that Emmy award winning reporter Lou Canellis will Emcee the event.

I thank you all for your support and look forward to seeing you at the gala on November 13th.

Congratulations to the Greek America Foundation for a successful ground-breaking Conference. Dear Mr. Tomaras,

Thank you so much for giving my brother and me the opportunity to attend the National Innovation Conference.

The Greeks of today carry the same innovative spirit as the Greeks of the ancient world, and it was wonderful that this was recognized and celebrated through this conference.

This scholarship, as well as the recognition I have received, are indeed great honors. The eleemosynary acts of the PanHellenic Foundation serve as a paradigm for all philanthropists. ..I give thanks once again to the PanHellenic Foundation. Your generous actions have ineffably aided me and I hope to one day become a contributing member of this great Foundation. **LEONIDAS SKIADOPOULOS '09**

I wanted to thank you for the wonderful generosity you have shown to me and to so many other students over the years through the PanHellenic Scholarship Foundation. I have always been proud of my heritage, but after being inducted into the PanHellenic Honors Society and meeting you at the awards ceremony, I have never been prouder to be a Greek American. Your kindness and generosity will help me to finish my degree and will help many others to further their educations, but more importantly, your efforts have helped to unite the Greek American community. **ELLEN GOLEAS '09**

PANHELLENIC SCHOLARSHIP FOUNDATION

July 2010

Dear Friends,

The cost of a college education has risen drastically over the years to a point that many gifted young Greek-Americans cannot begin or continue their education because of lack of funds.

The PanHellenic Scholarship Foundation provides an opportunity for these young Hellenes to complete their undergraduate studies. While there are many scholarship programs that provide a small portion of what a college education costs today, the PanHellenic Scholarship Foundation is dedicated to helping those exemplary young people in our community by offering them \$10,000 each in Scholarship Grants.

While changing lives, we also invest in the future of America as these Greek-Americans, equipped with a top education and endowed with their Hellenic values are poised to become tomorrow's leaders and contributors to their community and to this great country.

"...Without the generous gift of your Foundation's scholarship, paying for my education here at the University of Chicago would have been tremendously difficult..." Pericles Camberis Abbasi, University of Chicago, 2003

Busy as we know you are, please take a moment to review the enclosed information or visit our website, www.panhellenic-scholarships.org. Then, we would like you to consider making a donation for one or more of our \$10,000 Scholarships Grants this year or supporting our cause at any level you can.

I trust you'll agree that America needs the values that Hellenism represents, today more than ever. And Hellenism needs these gifted and promising Greek-Americans to be its ambassadors in their professional, community and family lives in the decades ahead. These talented scholars need you to make the difference as to whether they continue their higher education... or not.

"... Relief swept through me to find out that the scholarship prevented my family from digging a deeper hole of debt..." Margarite Bechis, University of New Hampshire, 2007

Thank you for your consideration.

Very truly yours,

CHRIS P. TOMARAS
Founder & Chairman
