On the weekend of June 15, 2018, the PanHellenic Scholarship Foundation held its annual Alumni Weekend and Awards Ceremony & Gala. The PanHellenic broke a new record this year by awarding 45 talented Greek American undergraduates with a total of \$260,000 in scholarship awards.

Celebrations began on Friday, June 15 with an Alumni Weekend Welcome Reception at **Holland & Knight** courtesy of the Foundation's pro bono counsel, **Elias Matsakis** and co-sponsored by **College Year in Athens**. 2018 Recipients, PanHellenic Alumni, and other Greek American young professionals enjoyed food and drinks while admiring the beautiful Chicago skyline.

Alexos**, Executive Vice President and Chief Financial Officer, Dentsply Sirona Inc.; **Michael Konidaris**, Principal Economist, Macroeconomic Advisers by IHS Markit; **Stephen J. Livaditis**, Managing Director, Eastdil Secured, LLC; **Doretta Mistras**, Managing Director, Goldman Sachs; **Tim S. Provias**, MD, MPH, Interventional Cardiology Specialist, Northwestern Medicine;

After lunch was served, keynote speaker, **His Eminence Metropolitan Nathanael of Chicago**, gave a powerful speech encouraging millennials to continue their good works and giving back to the community.

Saturday evening began with our **Awards Ceremony** which was held in the Grand Ballroom at the **Hilton Chicago**. **Trish Christakes** and **Pete Zervakis** served as Mistress and Master of Ceremonies. Trish and Pete are both previous PanHellenic Award recipients who understand the importance of giving back and staying involved with the Foundation. They described the impact their scholarships have had on their lives, and they did an excellent job emceeding the event.

John Manos, Treasurer and Trustee of the PanHellenic, conducted the Awards Ceremony for the 2018 Scholarship Recipients. Following the Awards Ceremony, the PanHellenic featured its exclusive Gala video showing how the Foundation provides more than just financial aid to students, hence our 2018 Gala theme - "Beyond a Scholarship." The video features 2007 Scholarship Recipient **Demi Giannaras**, speaking to her close relationship with the PanHellenic, her friendship with our beloved late Founder, **Chris P. Tomaras** and how it has influenced her life.

This was followed by Mr. Buhler's Chairman's Report, which detailed how the PanHellenic will continue to go "Beyond a Scholarship" and provide our scholars with more opportunities. Mr. Buhler also unveiled our new giving program called **Scholarship Society**. See the article on page 10 for more details on how to join the **Scholarship Society**.

This year's Paradigm Honoree was renowned public servant and former White House Chief of Staff **Reince Priebus**. Presenting the Award this year was **Athan P. Sotos**, Secretary and Trustee of the PanHellenic. Mr. Sotos explained that the Paradigm presentation was always the apex of the Awards Ceremony for Mr. Tomaras because this was the chance to truly inspire our recipients.

Following the Paradigm Presentation, the Foundation honored two generous sets of donors who have already fulfilled their Scholarship

Society pledges, with contributions totaling \$100,000 or more. We were proud to honor **Jimmy and Eleni Bousis** as well as **John and Mary Pappajohn**.

After the Awards Ceremony, guests enjoyed drinks and hors d'oeuvres in the beautiful Normandie Lounge and a delicious dinner in the Grand Ballroom. After dinner, dancing began with all 2018 recipients leading the first dance and with great music provided by **Yanni Papastefanou & Orchestra**. Chairman Robert A. Buhler, the Trustees, the Board of Directors, Academic Committee, and Board of Advisors once again congratulate our 2018 Scholarship Award Recipients, and express deep appreciation to the guests, donors, and volunteers who made this year's Alumni Weekend and Awards Ceremony & Gala a great success.

Save the date for the 2019 Awards Ceremony & Gala, Saturday, June 15, 2019!

2018 PARADIGM HONOREE REINCE PRIEBUS

The PanHellenic Scholarship Foundation was proud to honor **Reince Priebus** as our 2018 Paradigm Award honoree. Mr. Priebus currently serves as President and Chief Strategist of Michael Best & Friedrich LLP. Most recently, he served as White House Chief of Staff, managing White House staff and collaborating with Members of Congress and other key policymakers.

Mr. Priebus was born in New Jersey to parents Dimitra Pitsiladis and Richard Priebus. His father served in the US Army in Ethiopia before meeting his mother in Sudan, where she worked at the American Embassy. Although Dimitra was born in Khartoum, Sudan, her family was originally from Mytilene, Lesbos. The Priebus family eventually moved to the Midwest, settling in Kenosha, Wisconsin.

Mr. Priebus volunteered for his first political campaign at the age of 16, before graduating from Tremper High School in Kenosha. He went on to attend the University of Wisconsin, Whitewater, graduating cum laude with a degree in English and Political Science before attending the University of Miami School of Law.

While attending law school, Mr. Priebus served as Clerk for the Wisconsin Court of Appeals, the Wisconsin Supreme Court, and the United States District Court for the Southern District of Florida. He also interned for the NAACP Legal Defense Fund in Los Angeles before graduating with a Juris Doctor with honors.

Mr. Priebus has a long history in politics as a grassroots volunteer, working his way up through the ranks of Wisconsin politics. In 2009, he served as general counsel to the Republican National Committee, before being elected to serve as Chairman in 2011. He oversaw a dramatic turnaround of the Committee—rescuing its finances, repairing its operations, and rebuilding its ground game. During Priebus' tenure, Republicans expanded their majorities in the House of Representatives, took back the Senate and ultimately, won the presidency in 2016. He left his role as one of the most successful chairmen of either political party in American history.

Mr. Priebus is a proud Greek American, supporting Hellenic issues and bringing them much-needed national attention. He has been a vocal supporter of US-Greece relations and a strong advocate of Hellenic values such as free speech, freedom of belief, and education. In 2011, Mr. Priebus became an Archon of the Ecumenical Patriarchate of Constantinople, Order of Saint Andrew the Apostle.

Mr. Priebus gave a passionate speech after the Awards Ceremony about how Hellenic values such as faith, family, and philotimo set Greek Americans apart and truly enhance the fabric of American society. He recalled his childhood and how his Hellenic upbringing truly propelled him in life. Mr. Priebus reminded us that even though our parents and grandparents came to this country with very little, they all came looking for the same set of freedoms that are entitled to all people. No matter what our differences are we are bound together by our love of freedom. At the end of his speech, Mr. Priebus reminded scholars that they must go forward through life in service of one another, to never let their talents go to waste, and as they continue on, their education will help them reach their highest goals and help advance society.

DR. DAME EVANGELINE GOULETAS HOSTS ANOTHER WONDERFUL EVENT FOR THE PANHELLENIC SCHOLARSHIP FOUNDATION

On Friday, June 15, 2018 **Dr. Dame Evangeline Gouletas** was kind enough to host an exclusive VIP dinner for donors and special guests at her beautiful restaurant, Cité, at the top of Lake Point Tower. Also in attendance were PanHellenic's Board of Directors and all Scholarship Society members. We would like to thank Dr. Dame Gouletas for once again hosting us and for her kindness and generosity.

PHSF Alumni Board helps raise inaugural Alumni Scholarship at 2018 Gala

by Vasiliki Mitrakos, '10 Recipient, Alumni Board Member

Alumni and NHSA volunteers at the 2018 Awards Ceremony & Gala

Following in the footsteps of the Foundation's late founder Chris P. Tomaras, the Alumni Board helped raise an inaugural \$10,000 scholarship, presented to a scholar during the 2018 PHSF Gala in June.

Consisting of PHSF scholars and inspired by the vision of the Foundation, the Alumni Board launched the #AlumniChallenge this past spring in an effort to encourage PHSF alumni, friends and family to donate and collectively support a \$10,000 scholarship. Through the #AlumniChallenge, we were able to raise close to \$7,000, and the PHSF matched the remaining funds to fulfill the scholarship. This year also represented a record number of PHSF alumni who attended the Gala.

The spirit of the PHSF Gala permeated the entire weekend, as we hosted the Alumni Weekend for a second year in a row. Past alumni and this year's recipients, who traveled from across the U.S., were welcomed with a networking event the evening prior to the Gala, graciously hosted by Elias Matsakis at Holland & Knight. The following morning scholarship recipients, alumni, and special guests enjoyed a networking brunch hosted by The Hellenic Initiative at the Racquet Club of Chicago. After the Gala, we hosted an after party in downtown Chicago, culminating the festivities.

Following the success of the inaugural campaign, the Alumni Board looks forward to running the #AlumniChallenge next year and is thankful for the support received to date.

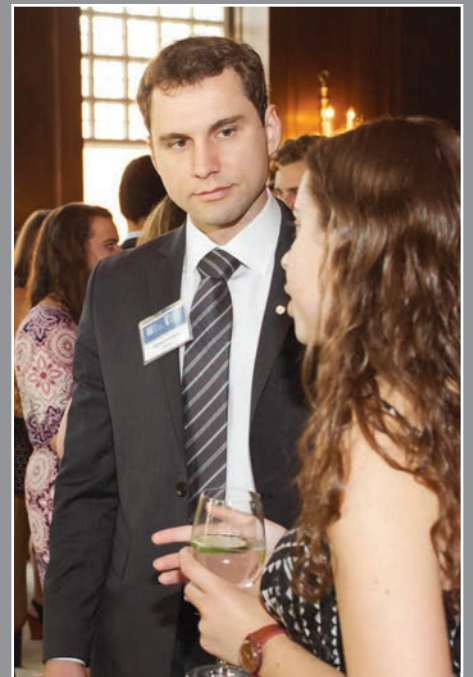

Among other firsts, this year the National Hellenic Student Association (NHSA) was invited to organize and train over 20 volunteers who assisted in running another successful Gala. NHSA is a non-profit umbrella organization for Hellenic students and young professionals across North America, whose members include several PHSF alumni as well.

A MESSAGE FROM OUR CHAIRMAN

"BEYOND A SCHOLARSHIP – EVERY DAY"

Every day, we work to enhance our scholars' lives.

Every day, we strive to offer our scholars a community of peers, a network of professionals, and mentoring opportunities from exceptional leaders in their respective fields. We give them tools to succeed.

Every day, we seek to honor the mission and vision of our late Founder, Chris P. Tomaras.

Every day, we at the PanHellenic think **Beyond a Scholarship.**

We were proud to offer the second annual Alumni Weekend to our exceptional 2018 PanHellenic Scholars. The weekend kicked-off on Friday, June 15th at the prestigious law firm of Holland and Knight with a welcome reception co-sponsored by College Year in Athens. Collectively, scholarship recipients from the past 16 years networked with our 2018 Scholars, and eventually made their way to (where else?) Greektown, for a night out.

The next day, Saturday June 16th, we also offered the second annual Mentorship Luncheon at the Racquet Club of Chicago, held in partnership with The Hellenic Initiative. PanHellenic scholars were given the unique opportunity to meet and mingle with ten exceptional Greek American mentors over lunch, gaining valuable insight into their professional lives, and helping plan career paths. Mentors provided real advice and knowledge from the fields of medicine, technology, physics, law, private equity and finance. Additionally, we were blessed to have His Eminence Metropolitan Nathanael, serve as keynote speaker, inspiring all in attendance "to follow their personal truth, and to make a difference in the lives of others, *today*."

We also unveiled a new initiative at our Awards Ceremony and Gala, the Scholarship Society. This new Society meaningfully connects scholars with donors, creating a true cornerstone of support between our generous supporters and the deserving students, helping them not just financially, but *beyond a scholarship*.

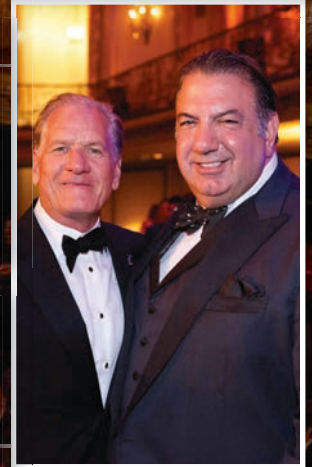

To date, the PanHellenic Scholarship Foundation has awarded over \$3 million in scholarships to over 450 of the best and brightest Greek American youth in the nation. This milestone is *only* made possible by your generous support. As we look toward future milestones, we will always be dedicated to promoting education and leadership building a better America through education and Hellenism. Thank you also to our nicely developing Alumni Board, the exceptional help provided by the NHSA, and our amazing staff, Board, Advisory Board and Academic Committee members – truly an exceptional group of talent.

The PanHellenic Scholarship Foundation prides itself on making a difference in the lives of others, *every day*.

Thank you,

Robert A. Buhler, Chairman

Scholarship Society

50 | 100
Membership Program

INTRODUCING OUR NEW GIVING PROGRAM

Each year, PanHellenic scholarship recipients with financial need are awarded \$10,000 toward their college education, providing them with significant economic relief. This is accomplished through the generous support of many repeat donors, who provide a named \$10,000 scholarship. These scholarships provide a life-changing award for our scholars, as well as a meaningful personal connection for our donors. With donors and scholars in mind, the Foundation created the Scholarship Society this past Spring. This giving program is comprised of two levels; Scholarship 50 and Scholarship 100, both of which are a \$10,000 commitment for 5 years or 10 years, respectively.

Along with the many benefits that come with a Scholarship Society membership, each contribution directly impacts the lives of 5 or 10 students. You also gain the ability to follow your exceptional scholars throughout their lives, building meaningful relationships and instilling in them the importance of giving back to the Greek American community.

If you would like more information on becoming a member of the Scholarship Society, please contact Director of Development, Vivian Haritos, at vharitos@panhellenicsf.org

Thank you to our Scholarship Society Members!

CONGRATULATIONS TO THE FOLLOWING MEMBERS ON FULFILLING THEIR SCHOLARSHIP 100 PLEDGES!

Dimitri & Eleni Bousis

Jimmy and Eleni Bousis are a dynamic philanthropic duo who have accredited their success and compassion for charitable works to their upbringing and their family. They cherish their parents and ancestors for setting a solid foundation which they in turn infused to their four children. They have a great love and admiration for our Orthodox faith and church. Their commitment toward the preservation of Hellenism, our language and history, has been evident over the years with their abundant philanthropical endeavors, honors and achievements. Join us in congratulating Dimitri & Eleni Bousis for their outstanding commitment to philanthropy, as well as their generous support of the PanHellenic Scholarship Foundation and induction into the Scholarship Society. Dimitri and Eleni have been supporters of the PanHellenic Scholarship Foundation since its inception and were dear friends to Mr. Chris P. Tomaras. To date, Dimitri and Eleni Bousis have donated over \$100,000 to the PanHellenic Scholarship Foundation and its programs benefiting Greek American youth. We thank them for their commitment to education, as well as their kindness and generosity toward the deserving undergraduates they have directly assisted through their years of supports.

John & Mary Pappajohn

John and his wife, Mary, have gifted more than \$100 million to various philanthropic causes including the John Pappajohn Business Building at the University of Iowa Business School, the Pappajohn Pavilion at the University of Iowa Hospital and Clinics, the John and Mary Pappajohn Clinical Cancer Center and the Pappajohn Biomedical Institute Building at the University of Iowa. Mr. Pappajohn also organized and financed the John Pappajohn Entrepreneurial Centers at five different universities and colleges in the state of Iowa for more than \$30 million. These centers have helped create and launch over 1,000 new companies. In 2001, he funded the NIACC Pappajohn Business Building in Mason City, Iowa. In 1997, he and his wife funded a \$5 million John and Mary Pappajohn Scholarship Fund for ethnic, disadvantaged, and minority students, and over \$3.5 million in scholarships have been granted since then. Mr. and Mrs. Pappajohn also committed \$4 million to help finance the John and Mary Pappajohn Higher Education Center, a collaborative of seven universities and colleges in the state of Iowa. Together, they have been the recipients of many awards and honors. Join us in congratulating John & Mary Pappajohn for their commitment to education and to the PanHellenic Scholarship Foundation, with donations totaling \$100,000 toward our Greek American scholars.

ERIC AND DEMETRA VASSILATOS JOIN SCHOLARSHIP SOCIETY AND FULFILL THEIR PLEDGE BY DONATING \$100,000 TO THE PANHELLENIC SCHOLARSHIP FOUNDATION

Following the 2018 Awards Ceremony and Gala, Eric and Demetra Vassilatos decided to join Scholarship Society at the Scholarship 100 level. Rather than wait to donate each year they matched John and Mary Pappajohn with a donation of \$100,000. Over the course of the next 10 years, the PanHellenic will award 10 worthy undergraduate students **The Steven Vassilatos Scholarship**. Eric also generously donated his time to serve as a mentor at our 2018 Mentorship Luncheon.

Eric Vassilatos co-founded Vivid Seats marketplace in 2005. Over the following decade, the company has grown to over \$2B in annual revenue and has become the 2nd largest resale ticket marketplace in North America. Vivid Seats has developed proprietary technologies and product offerings to deliver exceptional value and service levels to consumers, as well as tools to enable professional ticket sellers to more efficiently operate their businesses. Vivid Seats was recently sold to private equity firm GTCR. Mr. Vassilatos remains Co-CEO of the business.

We thank Eric and Demetra Vassilatos for their generous donation, as well as their membership in the Scholarship Society, further exemplifying the spirit of philotimo and giving back.
