PANHELLENIC SCHOLARSHIP FOUNDATION

BUILDING A STRONG ENDOWMENT

The PanHellenic Scholarship Foundation was established by **Chris P. Tomaras** with a vision of building a better America through education and Hellenism.

Mr. Tomaras founded the organization due to his own struggles pursuing a college education—unable to complete his studies at Columbia University as a young student with limited financial resources. He never graduated, but through hard work and tenacity became a successful businessman. As such, he was able to give back generously to the Greek American community. Despite his extraordinary success, Mr. Tomaras continued to believe that **education was a pillar of success**. This strong conviction led him to devote the last two decades of his life to the mission of the PanHellenic Scholarship Foundation.

To ensure the Foundation's longevity, Mr. Tomaras smartly established an **Endowment Fund**, which continues to provide life-changing scholarships to Greek American students in perpetuity.

JOIN THE FOUNDER'S SOCIETY WITH AN ENDOWMENT GIFT OF YOUR OWN

By establishing your own Endowment Fund, you will create a perpetual \$10,000 scholarship awarded to an exceptional Greek American undergraduate every year.

Joining the **Founder's Society** with an Endowment gift demonstrates your strong commitment to education—a **pillar of success**—that ensures a brighter future for everyone.

To the ancient Greeks, a pillar was more than a column used for support. Every section of the column was integral for the longevity of the structure. For this reason we have chosen the three architectural orders to comprise our **Founder's Society** levels: **Doric** (\$250,000), **Ionic** (\$500,000), and **Corinthian** (\$1,000,000).

EDUCATION IS A PILLAR OF SUCCESS

Contact the PanHellenic Scholarship Foundation today at **312.357.6432** to confidentially discuss joining the **Founder's Society**. A representative will be pleased to answer any questions regarding your Endowment gift and **Founder's Society** membership.

FAQ

WHY IS ESTABLISHING YOUR PANHELLENIC ENDOWMENT IMPORTANT?

- Your named endowment fund will be restricted—meaning only the interest from your fund can be spent, not the principal that anchors your endowment.
- Your restricted endowment guarantees that only a small portion of the interest, or earnings, can be spent annually to guarantee that the funds grow over time.
- Professional money managers will oversee your endowment fund, investing in stocks, bonds, and other investments.
- Your endowment will help diversify our organization's income, reducing vulnerability to economic change and guaranteeing your pre-determined funds are available each year.
- Your endowment will provide peace of mind that resources are being managed responsibly and efficiently.
- Your endowment will create a named scholarship in perpetuity, securing a lasting legacy by memorializing a loved one or commemorating a familial name.
